Jack Walker

About me:

I windsurf at Spray Watersports and came 9th in the national championships. I play rugby, I am in the school debate team and I am a member of Model United Nations where I learn about the UN, diplomacy and international relations.

Why I want to be a Youth Cabinet Member:

I am really into politics and passionate about changing my community for the better.

My two campaign issues are:

1. Enabling more young people to have a voice in decisions that affect them
2. Providing more activities, clubs and support groups for young people

VOTING OPEN FROM 9 NOVEMBER TO 30 NOVEMBER
