About me:

My favourite quote is *"This is your world. Shape it or someone else will"* by Gary Lew.

Why I want to be a Youth Cabinet Member:

I would like to gain more confidence, broaden my knowledge and help shape the society we live in. People should vote for me because I will listen carefully to you; I am genuinely interested in what you have to say and I will try to put your thoughts into action.

My two campaign issues are:

1. Providing more opportunities for 'life skills' and choices in school
2. Improving mental health awareness and support

VOTING OPEN FROM 9 NOVEMBER TO 30 NOVEMBER
